We are out to make this the greatest Dollar-Day Sale in the history of the Palais Royal. We generally take only one page to announce this sale, but the values are so uncommon this time that we have taken two pages, so as to enable us to represent every department in the store as strongly as possible. Wonderful opportunities to purchase Christmas gifts. Scores of needs for personal use featured. Also many articles for the home. Prices in a number of instances are lower than we could buy them now in the wholesale market. Under no condition miss this opportunity---the savings are exceptional.
